

NASIHA SARA

JUNIOR ARCHITECT | 3D VISUALIZER | REVIT ARCHITECT

Kasaragod, Kerala, India | +91 85471 58843 | naziashihab6@gmail.com

PROFESSIONAL SUMMARY

Detail-oriented and creative Junior Architect, 3D Visualizer, and Revit Architect with a strong background in architectural drafting, high-end 3D modeling, and realistic rendering. Proficient in transforming complex design concepts into immersive visual experiences and highly accurate building models using industry-standard BIM and visualization software. Proven experience in both interior design and architectural projects, bringing a keen eye for detail, spatial planning, and aesthetic functionality to professional design teams.

CAREER OBJECTIVE

To obtain a position as a Junior Architect, 3D Visualizer, or Revit Architect where I can apply my advanced knowledge of BIM, realistic visualization tools, and spatial design principles to support high-quality building and interior projects while continuously growing in a collaborative environment.

TECHNICAL SKILLS

- BIM & Architectural Design:** Autodesk Revit Architecture, Building Information Modeling (BIM) Concepts, Architectural Drafting, 2D/3D Modeling, Construction Documentation, Architectural Visualization
- Design & Rendering Software:** AutoCAD, Autodesk Revit Architecture, 3ds Max, V-Ray Rendering, Corona Renderer, Lumion, SketchUp, Adobe Photoshop
- Office Skills:** Microsoft Office Suite, Office Automation

PROFESSIONAL EXPERIENCE

Interior Designer

Jan 2026 - Present

Iman Interior Design and Furniture

Kumbla, Kasaragod, India

- Designed 25+ high-quality residential interiors, establishing distinct design concepts, functional layouts, and bespoke material palettes tailored to individual client aspirations.
- Produced 60+ photorealistic renders using advanced software to accurately communicate spatial volume, material finishes, and lighting aesthetics.
- Coordinated closely with 10+ contractors, furniture fabricators, and specialized vendors to oversee the seamless transition from design concepts to on-site execution.

Interior Design Intern (Freelance)

June 2025 - Dec 2025

Urban Interiors

India / Dubai (Remote)

- Developed precise Revit models for 15+ complex architectural and interior projects, streamlining the collaborative workflow and structural documentation pipeline.
- Assisted in the conceptualization of mood boards, material selections, and detailed 2D space planning for international residential and commercial spaces.

EDUCATION & CERTIFICATIONS

Diploma in Architectural Design & 3D Visualizer with Autodesk Revit

CADD Centre

AI Powered Smart Building Certificate

CORE COMPETENCIES

- Creative Design & Spatial Thinking
- Attention to Detail & Material Selection
- Problem Solving & Space Optimization
- Client Communication & Presentation
- Team Collaboration & Project Coordination

PERSONAL DETAILS & LANGUAGES

Languages: English, Malayalam

Portfolio: Available upon request
